Aim:

Provides a guideline for tailored policy interventions to achieve positive changes towards healthier, more equitable and more sustainable European societies by 2040

Content of the policy route map

Next steps of the project

- **5 workshops in 5 EU countries with citizens** to give additional feedback to the scenarios

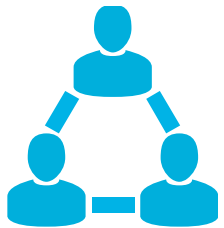

- **Scenarios to be refined** on the basis of the feedback received
- **Policy Route Maps to be validated** through consultation meetings

Please stay engaged!

- Provide us **feedback on a draft version** of the policy route map based on the workshop outcomes **in November 2017**

- Keep your eyes up for **policy consultation meetings** on the policy route map in Brussels, Athens or Germany **in early 2018**

THANK YOU
